

**TCED**

Trans-CanadaEnergiesDistribution

# **Commercial**Batteries

Trucks, Tractors and Heavy Equipment batteries

# TCEDWORLDWIDE

## FULL PRODUCT LINE

TCED offers a variety of battery solutions designed to meet the unique demands of various commercial applications.

## BCI STANDARDS

All our batteries meet or exceed OEM quality requirements - built to exact BCI standards.

## SUPERIOR PERFORMANCE

You can rely on more than 25 years of proven performance in high starting reliability in the rugged Canadian climate.

## PRIVATE LABEL

Reinforce your brand identity with our Custom Private Label Services.

TCED is fully dedicated to offering products reflecting our commitment to achieving and upholding high standards in all of our initiatives and services. As we are conscious of the constant challenges to offering the best solutions in terms of efficiency, we therefore provide you with TCED Worldwide's complete range of battery products, ensuring high-performance, reliability and durability.

### WW31

We understand the importance to accomplish tough jobs from start to finish regardless of the various challenges such as constant vibration, frequent starts, extreme loads and harsh environments.

# Comprehensive **Distribution** Service

## **KNOWLEDGE**

TCED cumulates over 50 years of experience in the battery industry, including 20 years of shared knowledge and innovation in alternative energy systems.

When you partner with TCED, you will find a team fully dedicated to assist you and committed to go the extra mile to deliver results.

## **SERVICE**

Our dedicated Customer Service Teams are always ready to assist you by offering expert advice, providing you with the best adapted solutions to meet your requirements, as well as ensuring timely product delivery, thus guaranteeing lasting business relationship satisfaction.

TCED is your step towards profitable growth.

## **LOGISTICS**

From our 35,000 sq. ft. warehouse facility in St-Jean-sur-Richelieu, we manage every stage of the fulfillment process from order to delivery.

We value growth and ensure maximum efficiency through operational hardware materials and extensive inventory storage capacity, saving you time and effort while providing relevant Order-to-Delivery experience.
