

TCED
Trans-CanadaEnergiesDistribution

SealedBatteries
Backup and portable power solutions

TCEDWORLDWIDE

+
**WIDE CHOICE
OF CAPACITY
RATINGS**

Our versatile range of sealed batteries has all the answers for both cyclic and standby applications.

+
**HIGH QUALITY
BATTERIES**

All our batteries meet or exceed OEM quality requirements for guaranteed performance and reliability.

+
**HR
HIGH-RATE**

HR batteries are the ideal solution for space limited applications that require very high discharge rates - UPS systems, electrical motors, and more.

+
**PRIVATE
LABEL**

Reinforce your brand identity with our Custom Private Label Services.

TCED is fully dedicated to offering products that reflect our commitment to achieving and upholding high standards in all of our initiatives and services. As we are conscious of the constant challenges to offering the best solutions in terms of efficiency, we therefore provide you with TCED Worldwide's complete range of battery products, ensuring high-performance, reliability and durability.

Sealed AGM Batteries › A maintenance free deep cycle solution

Positive and negative plates in a sealed AGM battery are separated by an absorbent fiberglass mat that absorbs and immobilizes the acid while still keeping the acid available to the plates, therefore minimizing potential spillage. This maintenance free battery provides good electrical reliability and is lighter than the flooded lead acid type.

Comprehensive **Distribution** Service

KNOWLEDGE

TCED cumulates over 50 years of experience in the battery industry, including 20 years of shared knowledge and innovation in alternative energy systems.

When you partner with TCED, you will find a team fully dedicated to assist you and committed to go the extra mile to deliver results.

SERVICE

Our dedicated Customer Service Teams are always ready to assist you by offering expert advice, providing you with the best adapted solutions to meet your requirements, as well as ensuring timely product delivery, thus guaranteeing lasting business relationship satisfaction.

TCED is your step towards profitable growth.

LOGISTICS

From our 35,000 sq. ft. warehouse facility in St-Jean-sur-Richelieu, we manage every stage of the fulfillment process from order to delivery.

We value growth and ensure maximum efficiency through operational hardware materials and extensive inventory storage capacity, saving you time and effort while providing relevant Order-to-Delivery experience.
