MarineBatteries

Boat and Pontoon Batteries

TCEDWORLDWIDE

From small crafts to luxury boats and beyond, we've got you covered.

Designed to resist impact and rough water vibration for longer battery life.

Quality products without compromise, combining performance, reliability and durability.

Reinforce your brand identity with our Custom Private Label Services.

TCED is fully dedicated to offering products that reflect our commitment to achieving and upholding high standards in all of our initiatives and services. As we are conscious of the constant challenges to offering the best solutions in terms of efficiency, we therefore provide you with TCED Worldwide's complete range of battery products, ensuring high-performance, reliability and durability.

Integrity is one of our core values

Your satisfaction is an integral part of our on-going commitment to product quality, that is why at **TCED** we make sure that all our batteries meet weight and performance specifications for guaranteed reliability and product integrity.

What does it mean?

You can rate the overall performance of a battery by its weight, meaning that if comparing batteries of the same type and format, the one that weighs the most will offer greater performance.

Built with the **Latest technology**

Our Batteries are built in a state of the art, high tech and environment friendly manufacturing plant. Take a look to see why our batteries are ahead of the pack.

Patent Bushing

Exclusive patented bushing for greater leakage/corrosion barrier

Magic Eye Indicator

Quick read of battery status

Advanced Center Lug and Cast-on-Strap

Vibration-resistant cast-on-strap ensuring permanent connection between posts and plates and increased current transfer efficiency

Computer-Integrated Design

Computer-integrated manufacturing assures product consistency and quality

Comprehensive **Distribution** Service

KNOWLEDGE

TCED cumulates over 50 years of experience in the battery industry, including 20 years of shared knowledge and innovation in alternative energy systems.

When you partner with TCED, you will find a team fully dedicated to assist you and committed to go the extra mile to deliver results.

SERVICE

Our dedicated Customer Service Teams are always ready to assist you by offering expert advice, providing you with the best adapted solutions to meet your requirements, as well as ensuring timely product delivery, thus guaranteeing lasting business relationship satisfaction.

TCED is your step towards profitable growth.

LOGISTICS

From our 35,000 sq. ft. warehouse facility in St-Jean-sur-Richelieu, we manage every stage of the fulfillment process from order to delivery.

We value growth and ensure maximum efficiency through operational hardware materials and extensive inventory storage capacity, saving you time and effort while providing relevant Order-to-Delivery experience.
